FINANCIAL POLICY

Thank you for choosing our office for your dental needs. We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care you need and deserve. Dental treatment is an excellent investment in an individual's medical and psychological care. We will always be available to answer your questions or assist you in any way.

We will bill your insurance company, if the services provided to you are covered by your insurance. Please understand that we will provide an insurance estimate to you, however it is not a guarantee that your insurance will pay exactly as estimated. Your insurance company and your plan benefits ultimately determine the amount paid. All charges you incur are your responsibility regardless of your insurance coverage. **You are required to pay the deductible and co-payment at the time of treatment. However, you remain responsible for the balance of the charges if your insurance company does not pay.** Financial arrangements are available if the estimated portion of your charges is $200 or more, and you cannot pay it in full at the time of service. We offer various payment and financing options, please ask front desk for details.

To maintain the practice operations and to prevent potential misunderstandings, we ask patients to accept and adhere to financial arrangements regarding their dental treatment. Payments are expected at the time services are rendered. **We accept cash, checks, debit cards and all major credit cards.**

Broken appointments: Your appointment time that **has been reserved especially for you and no one else,** we strongly encourage all patients to keep their appointments. If you must change your appointment, we require **at least two business days notice.** Time is valuable and failure to give proper notice, may result in a broken appointment charge of $75 per hour. We understand that emergencies do arise and will take them into consideration.

Finance Charges: If patient portion of bill is not paid within 90 days of date of service, a 1% per month finance charge will apply.

We thank you for the opportunity to serve your dental health care needs and welcome any questions you may have concerning your care or our financial policy.

Rescheduling Policy

We ask that all our patients give at least **two business days** notice if they need to reschedule an appointment, anything less than two business days will be considered a cancellation. We pride our office on seeing patients on time. In order to do this your appointment time is reserved for you only and when a cancellation occurs we lose that time to help other patients.

Any patient who **cancels twice** will not be allowed to schedule another appointment, instead they will be put on a **short call list** or will have to prepay for their appointment.

Any patient who fails to show up for an appointment without notice will not be allowed to schedule another appointment unless they are willing to **pre-pay**.

A patient who cancels a single **Saturday appointment** will not be allowed to schedule another Saturday appointment, unless they prepay.

We are open four days a week Monday through Thursday and on Fridays and Saturdays by appointment only.

Example: To change an appointment scheduled for Monday a patient must call the office the Thursday prior.
